Hello Breakthrough student and family!

As the 21-22 school year comes to a close, we reflect on the amazing year it has been. We, as a collective Breakthrough community, have a lot to be proud of. Students pushed themselves to stay connected this year so that they could reach new academic heights. Parents made big sacrifices to provide their students with the best possible in spite of the various challenges that COVID-19 has placed on us all. We are grateful for such a wonderful community. We have a lot to look forward to this summer including celebrating you!
